

# ACS FAITH STRONG CLUB

Do you want to play with Lego? WeDo:  
Imagine, Then Watch What Happens

**Do you like to build things with your imagination?** In this club, you and your friends will learn how to build and program characters and models using the Lego WeDo program. You will have the opportunity to make things and then make things happen. We will be using software that teaches us how to program commands that allow you to make things move, produce sounds and stop.
