

ACS Summer Tech Camp 2017

Dates: August 7-11 from 9:00 - 11:30
Grades: Students entering grades 3-8
Cost: \$120

Do you enjoy using technology? Mr. Musch, Ms. Frens, and Mr. Kiser would love to explore some technology activities, games and projects with you. Our ACS Technology Camp is for people of **all technological skills**. Possible activities: **coding, Cubelets, game design, Makey Makey, Mindstorms, Osmo, Ozobots, stop motion videos**, etc. No matter your skill level, you will have a great time hanging out with the tech team, learning new things and meeting new friends. Snack and games every day! The first 40 who sign up are in!

Please complete the sign-up in the Ada Connection, or fill out the paper form below and turn in funds to the office. Email Mr. Musch (amusch@adachristian.org), Mr. Kiser (nkiser@adachristian.org) or Ms. Frens (jfrens@adachristian.org) if you would like the link to the online sign up.
