

## *Thank You*

### **Holly Karasinski and Team**

Thank you for working so hard on all of the costumes, props and snacks. We are truly appreciative of the hours of planning, sewing, and counting you had to do. We could not have done this without you.

### **Mrs. Shelly Slauer**

Thank you for being a reliable, understanding and enthusiastic accompanist. Thank you for all of the extra hours you put into practicing both privately and with smaller groups during preparation.

### **Mr. Nate Kiser and Mr. Alan Musch**

Thank you for helping us with the lights and sound. Also thank you for making it possible to LiveStream the program to other members of our family and community that could not be here tonight.

### **Mr. Jeff Droge**

Thank you for setting up the risers and the gymnasium and always being willing to lend an extra hand.

### **Mr. Zac Wanner**

Thank you for making an amazing star as the centerpiece of our show, and for the beautiful art work that we enjoyed before the program.

Ada Christian School Presents:
