

## ACS FAITH STRONG CLUB

### “Girl Drama”

**Purpose:** “Girl Drama” is a group of young women who come together to have fun, act out stories, and learn to do it all with confidence in the Lord and in themselves! Students will be learning about who Jesus says they are-- finding their identity in Him first-- and then integrating that with the joy of acting and storytelling-- finding their identity as a skilled, worshipful actress/performer. In “Girl Drama,” we will be doing character studies of several women in Shakespeare’s stories, and then recreating particular scenes from Shakespeare plays-- giving the girls an opportunity to explore a rich and complicated text, become familiar (and confident) with the language, as well as play wild and extraordinary characters of all kinds!
